

Saturday 27th August

Moors Valley Country Park

Enjoy a short walk up to the 'Lookout' and learn more about the wildlife along the way, then listen to stories about the forest from

Mike O' Leary. Listen to nature/wildlife stories and hear about Jenny Greenteeth lurking in the mill-pond, watch out when the apple-tree man chases you through the orchard, glimpse the green ladies as they flit through the forest.

With flutes and pipes, listen to music and stories from troubadour Mike O'Leary - tall stories and short stories; Mike says they are all true, but then sometimes he tells stories!
